

- WELCOME 2021 -

The Israeli association for aquatic sciences (IAAS) is inviting you to our special virtual seminar series. The topics of the talks will be highly diverse and given by leading scholars from the US, Europe, Australia and Israel.

The seminar will include **ONE talk per MONTH** (five in total, starting from February) during this upcoming semester. The seminar series is free of charge with no prerequisites. Zoom link will be distributed without any pre-registration.

February 1st at 13:00 (Israel time)

The opening talk will be given on coral ecology by

Prof. Peter Mumby, University of Queensland, Australia

THE RESILIENCE OF CORAL REEFS IN A WORLD OF CHANGE
